Guidelines for Payment Plans

Effective July 1, 2017, defendants can enter into a payment plan for fines/costs owed to the Norfolk General District Court. If a defendant defaults on a payment plan, a request for a new payment plan will be considered by the Court conditioned upon the defendant's change in circumstance & a down payment will be required. If the fines/costs have transmitted to DMV as unpaid, but have not transmitted to collections, the defendant can enter into a payment plan & we will provide DC-30's for DMV. The Collection agency for the Norfolk General District Court is Glasser & Glasser PLC. If cases have transmitted to collections, you can contact Glasser & Glasser PLC at 757-533-5555 concerning payment plans.

We will defer the due date for 6 months for payment agreements issued by the Norfolk General District Court.

Thank you for your cooperation.
