**DEFERRED PAYMENT OR INSTALLMENT PAYMENT AGREEMENT**  
**VIRGINIA CODE SECTION 19.2-354 AND 19.2-358**

Persons with outstanding fines and costs may petition the court for a deferred or installment pay agreement.

Fines, costs and/or penalties as a result of a criminal or traffic offense will be due within 90 days as allowable by statute.

A one-time fee of \$10.00 will be assessed upon signing the time to pay agreement beyond 90 days after sentencing, providing however, that the fee has not already been assessed. If the Defendant becomes delinquent under the terms of the agreement, his or her license will be suspended.

A down payment for any time to pay agreement when the amount owed is less than \$500.00 or less shall be 10% of the amount due; OR

When the amount owed is more than \$500.00, the down payment shall be 5% of the amount due or \$50.00, whichever is greater.

Interest will not accrue during the time such agreement is in effect and where such plan is not in default.

All or a portion of current fines and costs and delinquent accounts may be satisfied by performing community service, if available.

Defendants with unpaid fines and costs in more than one court shall be required to pay or establish time to pay agreements in each Court in order to remove the suspension of their driving privilege.

All fines and costs that a defendant owes for all cases in any single court may be incorporated into one agreement, unless otherwise ordered by the Court in specific cases.

Payment agreements shall not include accounts that are more than 10 years old.

The court must receive a payment each month, preferably on the same day each month. Any payment made within 10 days of the due date shall be considered a timely payment. Payments made later than 10 days from the due date will result in a license suspension. The Court will not send reminder notices of payments due. The petition shall be the official notification that the Defendant's driver's license will be administratively suspended immediately upon any missed payment scheduled under this agreement.

The defendant shall promptly inform the Court of any change of mailing address during the term of the agreement.
