

COURT OF APPEALS OF VIRGINIA

Present: Judges Benton, Humphreys and Senior Judge Overton

BLUEPRINT TECHNOLOGIES AND
TWIN CITY FIRE INSURANCE COMPANY

v. Record No. 2993-05-4

SUSAN A. NELSON

MEMORANDUM OPINION*
PER CURIAM
APRIL 11, 2006

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(Roger L. Williams; John T. Cornett, Jr.; Williams & Lynch, on
brief), for appellants.

(Andrew S. Kasmer, on brief), for appellee.

The Workers' Compensation Commission found that Susan A. Nelson refused to cooperate with reasonable and necessary medical treatment as of August 4, 2004, but that she cured her unjustified refusal of medical treatment as of January 28, 2005. Blueprint Technologies and its insurer (hereinafter referred to as "employer") appeal and contend the commission erred in finding Nelson cured her refusal. Pursuant to Rule 5A:21(b), Nelson raises the additional question whether the commission erred in finding that she unjustifiably refused medical treatment. We have reviewed the record and the commission's opinion, and we hold that this appeal is without merit as to both questions. Accordingly, we affirm the commission's award for the reasons stated by the commission in its final opinion. See Nelson v. Blueprint Technologies et al., VWC File No. 213-46-16 (Nov. 29, 2005). We dispense with oral argument and summarily affirm because the facts and legal contentions are adequately presented in the
