A petition for the involuntary admission for inpatient treatment or mandatory outpatient treatment of the respondent having been filed pursuant to Virginia Code §§ 37.2-809 through 37.2-819,

- **8** [] prior to the hearing authorized by §§ 37.2-814 through 37.2-819, the director of the facility in which the respondent was detained released the person pursuant to § 37.2-813 and, without a hearing, the petition is hereby dismissed.
- **9** [] the respondent appeared before this court for a hearing. At the commencement of the hearing, it was ascertained that the respondent was given the written explanation of the involuntary admission process. The respondent was informed of the respondent's right to apply for voluntary admission for inpatient treatment as provided for in § 37.2-805 and of the prohibition from purchasing, possessing or transporting a firearm pursuant to § 18.2-308.1:3 upon voluntary admission; of the respondent's right to a full and impartial hearing in the event that the respondent is incapable of or unwilling to apply for voluntary admission; of the respondent's right to counsel, the basis of the detention, the standard upon which the respondent may be detained and treated on an involuntary basis, the respondent's right to appeal the decision to the circuit court, and the respondent's right to a jury on appeal.

Case No. .....**1** 

Based	d upon this review,
[] 2	The court finds by clear and convincing evidence that the person meets the criteria for involuntary admission and treatment specified in § 37.2-817 C:
	[] The person has a mental illness and there is a substantial likelihood that, as a result of mental illness, the person will, in the near future,
	[] cause serious physical harm to [] himself [] others as evidenced by recent behavior causing, attempting, or threatening harm and other relevant information, or
	[] suffer serious harm due to his lack of capacity to protect himself from harm or to provide for his basic human needs; and
	[] all available less restrictive alternatives to involuntary inpatient treatment that would offer an opportunity for the improvement of the person's condition have been investigated and determined to be inappropriate.
	Accordingly, the court so certifies and orders the involuntary admission of the respondent
	to, a facility designated by the community services board,
	NAME OF FACILITY for a period of treatment not to exceed 30 days from the date of this order.
	The court further orders pursuant to § 37.2-829 that transportation of the person to the facility shall be provided by
	<b>4</b> [ ] the Sheriff of
	<b>5</b> [] the alternative transportation provider as designated on the attached form DC-4000, ORDER FOR ALTERNATIVE TRANSPORTATION PROVIDER.
[1]	The court finds by clear and convincing evidence that the person continues to meet the criteria for mandatory outpatient
<b>6</b>	treatment specified in § 37.2-817 D in that:
	[] the person has a mental illness and that there exists a substantial likelihood that, as a result of mental illness, such person will, in the near future,
	[] cause serious physical harm to [] himself [] others as evidenced by recent behavior causing, attempting, or threatening harm and other relevant information, or
	[ ] suffer serious harm due to his lack of capacity to protect himself from harm or to provide for his basic human needs; and
	[] less restrictive alternatives to involuntary inpatient treatment that would offer an opportunity for improvement of the person's condition have been investigated and are determined to be appropriate; and the person has sufficient capacity to understand the stipulations of treatment, has expressed an interest in living in the community and has agreed to abide by his treatment plan, and is deemed to have the capacity to comply with the treatment plan and understand and adhere to conditions and requirements of the treatment and services; and the ordered treatment can be delivered on an outpatient basis by the community services board or designated provider which has agreed to deliver the services, and
	[] a continued period of mandatory outpatient treatment appears warranted.
	Accordingly, the court so certifies and orders that the [mandatory outpatient treatment plan]] discharge plan is hereby renewed
8	[] with substantial modifications as set forth in the revised plan, which is attached and incorporated herein.
9	[] with modification(s)
10	[] without modification.
11]	The court finds that the person who is the subject of the order no longer meets the criteria for mandatory outpatient treatment and, therefore, the order is hereby rescinded.

This form, which is a summary of the emergency custody procedures and the associated statutory protections, is required to be given to any person taken into emergency custody pursuant to Virginia Code § 37.2-808.

#### EXPLANATION OF EMERGENCY CUSTODY PROCEDURES

Commonwealth of Virginia VA. CODE §§ 37.2-808, 37.2-817.2

#### To the Respondent:

You are a person who has been taken into emergency custody pursuant to Va. Code § 37.2-808 or § 37.2-817.2.

You were taken into emergency custody because a judge, special justice, or magistrate issued an emergency custody order, a law-enforcement officer believed that you met the criteria for emergency custody, or because you voluntarily consented to be transported for assessment or evaluation, you then revoked your consent, and the officer believed that you met the criteria for emergency custody.

You were taken into emergency custody because the judge, special justice, magistrate or lawenforcement officer decided that there was probable cause to believe that:

- 1. You have a mental illness and there exists a substantial likelihood that, as a result of mental illness, you will in the near future
  - a. cause serious physical harm to yourself or others as evidenced by your recent behavior causing, attempting or threatening harm and other relevant information, OR
  - b. suffer serious harm due to your lack of capacity to protect yourself from harm or to provide for your basic needs, AND
- 2. You are in need of hospitalization or treatment, AND
- 3. You are unwilling to volunteer or incapable of volunteering for hospitalization or treatment

While you are in emergency custody, you will be transported by a law-enforcement officer or an alternative transportation provider to a convenient location to be evaluated to determine whether you meet the criteria for temporary detention, and to assess the need for you to be hospitalized or treated.

You may also be transported to a medical facility if it is determined that emergency medical evaluation or treatment is necessary, or if a doctor at the hospital where you may be detained requires a medical evaluation before you can be admitted.

You will remain in custody until a temporary detention order is issued, until you are released, or until the emergency custody order expires. The maximum amount of time that you could remain in emergency custody is 8 hours.

If you were taken into emergency custody as a result of an emergency custody order, the order must have been executed within 8 hours after the order was issued or the order is void. An emergency custody order is executed when a law-enforcement officer takes you into custody under the order. When the emergency custody order is executed or a law-enforcement officer takes you into custody without an order, the law-enforcement officer must then notify the community services board right away.
