VIRGINIA:
IN THE GENERAL DISTRICT COURTS OF THE 27TH
JUDICIAL CIRCUIT OF THE COMMONWEALTH

ORDER

IN RE: PAYMENT PLAN AGREEMENT(S)

If a person, appearing before any General District Court in the 27th Judicial District of Virginia, is unable to pay fines, costs, forfeitures, restitution or penalties imposed by the Court within 30 days of the conviction date, the Clerk of this Court is authorized to enter into an *installment, deferred, or modified deferred* payment plan with such person. The Court hereby incorporates the attached *Payment Plan Chart* into this Order which further explains the parameters of each plan.

The Court will require the Defendant to provide a recent Compliance Summary from the Department of Motor Vehicles in order to assess the number of cases and/or other Courts in which fines and costs are owed.

Community Service may be used to reduce the total or part of the fines/cost owed. Restitution may not be paid through Community Service.

Upon entry into a payment plan the defendant's operator's license suspension shall be lifted by the Court, so long as that authority remains with the Court and has not been superseded by the authority of the DMV or by operation of any statute.

No Operator's License suspension shall occur while the defendant is in good standing under an approved payment plan.

Failure to comply with the terms and conditions of any plan shall terminate the agreement and result in the suspension of the defendant's driver's license. A down payment shall be required on any subsequent payment plan as indicated on the *Payment Plan Chart*.

Nothing herein limits the right of the Court to review any plan upon request of a defendant.

ENTER THIS 6th DAY OF July, 2017
