Granted Appeal Summary

Case

DAVID O. WILLIAMS, ET AL. v. JOHN M. JANSON
(Record Number 210972)

From

The Circuit Court of Mecklenburg County; H. Gill, Judge.

Counsel

James E. Midkiff (James E. Midkiff, P.C.) for appellants.

Robert E. Hawthorne, Jr. (Hawthorne & Hawthorne, P.C.) for appellee.

Assignment of Error

The Trial Court erred in finding that the oral announcements made by the auctioneer prior to starting the auction were sufficient to change the nature of the auction from an auction with reserve to an auction without reserve or an absolute auction.
