Granted Appeal Summary

Case

NICHOLAS DAVID RANGER v. HYUNDAI MOTOR AMERICA
(Record Number 220058)

From

Circuit Court of Accomack County; W. R. Lewis, III, Judge.

Counsel

W. Aaron Cluett (Lemon Law Group Partners) for appellant.

Mark W. Skanes (RoseWaldorf PLLC) for appellee.

Assignment of Error

1. The trial court erroneously dismissed the case in its entirety by granting Hyundai Motor America's Motion for Summary Judgment which argued that since a buyback offer was made in pre-litigation the entire case should be dismissed as a matter of law. [Written Statement of Facts at 2-3; Preserved by Plaintiff counsel's endorsement of the Order granting summary judgment).
