### CASE ALERT SUBSCRIPTION SYSTEM NOW AVAILABLE FOR TRAFFIC AND CRIMINAL CASES IN GENERAL DISTRICT COURTS AND SELECT CIRCUIT COURTS

The Office of the Executive Secretary is pleased to announce that the Case Alert Subscription System (CASS) is available for traffic and criminal cases in general district courts and select circuit courts. CASS is a courtesy reminder service available within the Virginia Judiciary Online Case Information System 2.0 (OCIS 2.0), <https://eapps.courts.state.va.us/ocis/landing>. CASS can be used to receive alerts when a traffic or criminal case is updated with a change in hearing date, time and/or courtroom. The system can also be used to receive reminders 1 day, 3 days and/or 1 week before a scheduled hearing. CASS alerts will be sent as email messages or SMS text messages (or both, if desired). Users can subscribe to multiple cases and customize their options for receiving alerts. Users may visit [www.vacourts.gov](http://www.vacourts.gov) and select Subscribe for Alerts to Traffic/Criminal Cases.

The case information displayed on the OCIS 2.0 is case information entered by the respective court clerks into the respective case management systems (CMS). The Office of the Executive Secretary of the Supreme Court of Virginia is the administrative office for Virginia's Judicial System and provides the technology support to operate CMS.

The circuit court case information viewable on OCIS 2.0 is provided with the consent of the participating circuit court clerks.
