

COURT OF APPEALS OF VIRGINIA

Present: Judge McClanahan, Senior Judges Coleman and Annunziata

FRANCES W. TONEY

v. Record No. 0053-05-2

SANDY'S PLANTS, INC. AND
FLORISTS MUTUAL INSURANCE COMPANY

MEMORANDUM OPINION*
PER CURIAM
JULY 19, 2005

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(Jean M. McKeen; Fitzgerald, Tomlin & McKeen, PLLC, on brief),
for appellant.

(Thomas G. Bell, Jr.; Timberlake, Smith, Thomas & Moses, P.C., on
brief), for appellees.

Frances W. Toney appeals a decision of the Workers' Compensation Commission finding she failed to prove that her "multiple chemical exposure" constituted a compensable occupational disease or a compensable ordinary disease of life. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the commission in its final opinion. See Toney v. Sandy's Plants, Inc., VWC File No. 211-34-32 (Dec. 9, 2004). We dispense with oral argument and summarily affirm because the facts and legal contentions are adequately presented in the materials before the Court and argument would not aid the decisional process. See Code § 17.1-403; Rule 5A:27.

Affirmed.

* Pursuant to Code § 17.1-413, this opinion is not designated for publication.
