

COURT OF APPEALS OF VIRGINIA

Present: Judges Elder, Felton and Senior Judge Willis

TERRENCE ANTONIO HOLT

v. Record No. 0513-04-4

FAIRFAX COUNTY SHERIFF'S DEPARTMENT

MEMORANDUM OPINION\*  
PER CURIAM  
JULY 13, 2004

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(Terrence Antonio Holt, on briefs), *pro se*.

(David P. Bobzien, County Attorney; Peter D. Andreoli, Jr., Deputy  
County Attorney, on brief), for appellee.

Terrence Antonio Holt (claimant) appeals a decision of the Workers' Compensation Commission denying his claim for medical benefits and temporary total and partial disability benefits related to his hip replacement surgery, and finding that he failed to prove that his avascular necrosis was causally related to his compensable August 5, 1996 left knee injury. We have reviewed the record and the commission's opinion and find no reversible error.

Accordingly, we affirm for the reasons stated by the commission in its final opinion. See Holt v. Fairfax County Sheriff's Office, VWC File No. 182-05-98 (Feb. 12, 2004). We dispense with oral argument and summarily affirm because the facts and legal contentions are adequately presented in the materials before the Court and argument would not aid the decisional process. See Code § 17.1-403; Rule 5A:27.

Affirmed.
