

COURT OF APPEALS OF VIRGINIA

Present: Judges Frank, McClanahan and Retired Judge Hodges *

AL GLEESON ELECTRICAL CO., INC. AND
TRAVELERS CASUALTY AND SURETY CO.

v. Record No. 0518-08-4

FORREST J. HATCHER

MEMORANDUM OPINION**
PER CURIAM
SEPTEMBER 16, 2008

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(Michael E. Ollen, on brief), for appellants.

(W. David Falcon, Jr.; Chasen Boscolo, on brief), for appellee.

Al Gleeson Electrical Co., Inc. and its insurer (hereinafter referred to as "employer") appeal a decision of the Workers' Compensation Commission finding that Forrest J. Hatcher proved he (1) sustained an injury by accident occurring in the course of his employment on December 15, 2004; (2) gave timely notice of his injury to employer; and (3) sustained a meniscus tear in his left knee, which resulted in surgery and total disability from December 17, 2004 through July 5, 2005, causally related to his compensable December 15, 2004 injury by accident. We have reviewed the record and the commission's opinions and find that this appeal is without merit. Accordingly, we affirm for the reasons stated by the commission in its February 28, 2007 opinion with respect to the issue presented in Question 1, and for the reasons stated by the commission in its February 6, 2008 final opinion with respect to the issues presented in Questions 2 and 3. See Hatcher v. Al Gleeson Elec. Co., Inc., VWC File No.

* Retired Judge Hodges took part in the consideration of this case by designation pursuant to Code § 17.1-400(D).

** Pursuant to Code § 17.1-413, this opinion is not designated for publication.

223-63-64 (Feb. 28, 2007 and Feb. 6, 2008). We dispense with oral argument and summarily affirm because the facts and legal contentions are adequately presented in the materials before the Court and argument would not aid the decisional process. See Code § 17.1-403; Rule 5A:27.

Affirmed.
