

COURT OF APPEALS OF VIRGINIA

Present: Judges Elder, Felton and Senior Judge Willis

HONEYWELL CORPORATION AND  
ZURICH AMERICAN INSURANCE COMPANY

v. Record No. 0889-05-2

WILLIAM H. SWINEY, JR.

MEMORANDUM OPINION\*  
PER CURIAM  
AUGUST 9, 2005

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(Charles F. Midkiff; Angela C. Fleming; Midkiff, Muncie, and Ross,  
P.C., on brief), for appellants.

(Laura Ann McDonald; Laura Ann McDonald, P.C., on brief), for  
appellee.

Honeywell Corporation and its insurer appeal a decision of the Workers' Compensation Commission finding that William H. Swiney, Jr. proved he adequately marketed his residual work capacity beginning August 5, 2003. We have reviewed the record and the commission's opinion and find no reversible error. Accordingly, we affirm for the reasons stated by the commission in its final opinion. See Swiney v. Honeywell Corp., VWC File No. 206-70-32 (Mar. 16, 2005). We dispense with oral argument and summarily affirm because the facts and legal contentions are adequately presented in the materials before the Court and argument would not aid the decisional process. See Code § 17.1-403; Rule 5A:27.

Affirmed.
