

COURT OF APPEALS OF VIRGINIA

Present: Chief Judge Felton, Judge Petty and Senior Judge Bumgardner

CLIFTON LEE BURNS, JR.

v. Record No. 1240-08-1

NORTHROP GRUMMAN CORPORATION AND
INSURANCE COMPANY OF THE STATE
OF PENNSYLVANIA/AIG DOMESTIC CLAIMS, INC.

MEMORANDUM OPINION*
PER CURIAM
SEPTEMBER 16, 2008

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(Gary R. West, on brief), for appellant.

(Adam S. Rafal; Lisa L. Thatch; Vandeventer Black LLP, on brief),
for appellees.

Clifton Lee Burns, Jr. appeals a decision of the Workers' Compensation Commission finding that he failed to prove his right lateral epicondylitis constituted a compensable occupational disease or ordinary disease of life. We have reviewed the record and the commission's opinion and find that this appeal is without merit. Accordingly, we affirm for the reasons stated by the commission in its final opinion. See Burns v. Northrop Grumman Corp., VWC File No. 228-09-09 (April 28, 2008). We dispense with oral argument and summarily affirm because the facts and legal contentions are adequately presented in the materials before the Court and argument would not aid the decisional process. See Code § 17.1-403; Rule 5A:27.

Affirmed.

* Pursuant to Code § 17.1-413, this opinion is not designated for publication.
