

COURT OF APPEALS OF VIRGINIA

Present: Judges Kelsey, Petty and Senior Judge Bumgardner

BRIAN TODD LANCASTER

v. Record No. 1311-09-2

FIBERCOM, INC. AND
VIGILANT INSURANCE CO.

MEMORANDUM OPINION*
PER CURIAM
OCTOBER 13, 2009

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(Brian Lancaster, *pro se*, on brief).

(Richard S. Sperbeck; Angela F. Gibbs; Midkiff, Muncie & Ross,
P.C., on brief), for appellees.

Brian Lancaster appeals a decision of the Workers' Compensation Commission finding that he failed to prove a causal relation between his January 17, 1991 accidental injury and his 2008 condition and medical treatment. We have reviewed the record and the commission's opinion and find that this appeal is without merit.¹ Accordingly, we affirm for the reasons stated by the commission in its final opinion. See Lancaster v. Fibercom, Inc., VWC File No. 156-15-32 (May 13, 2009). We dispense with oral argument and summarily affirm because the facts and legal contentions are adequately presented in the materials before the Court and argument would not aid the decisional process. See Code § 17.1-403; Rule 5A:27.

Affirmed.

* Pursuant to Code § 17.1-413, this opinion is not designated for publication.

¹ Attached as an exhibit to Lancaster's opening brief, he has submitted a June 5, 2009 letter from Dr. Stephen B. James. This letter is not part of the record on appeal. We have not considered it in reaching our opinion.
