

COURT OF APPEALS OF VIRGINIA

Present: Judges Kelsey, Beales and Senior Judge Clements

MARILYN R. CARTIER

v. Record No. 1435-13-3

HENRY COUNTY PUBLIC SCHOOLS AND
VIRGINIA ASSOCIATION OF COUNTIES
GROUP SELF-INSURANCE

MEMORANDUM OPINION*
PER CURIAM
JANUARY 7, 2014

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(Marilyn R. Cartier, *pro se*, on brief).

(Richard D. Lucas; Lucas & Kite, PLC, on brief), for appellees.

Marilyn R. Cartier (claimant) appeals the decision of the Workers' Compensation Commission finding that claimant failed to prove a compensable injury by accident to her left shoulder and that claimant failed to prove a compensable occupational disease or ordinary disease of life related to her shoulders, knees, or skin cancer. Claimant argues she injured her left shoulder helping a child while working as a bus driver and her medical problems with her shoulders and knees and her skin cancer were compensable occupational diseases. We have reviewed the record and the commission's opinion and find that this appeal is without merit. Accordingly, we affirm for the reasons stated by the commission in its final opinion. See Cartier v. Henry Cnty. Pub. Schs., VWC File Nos. VA00000545645 and VA02000009540 (June 26, 2013). We dispense with oral argument and summarily affirm because the facts and legal

contentions are adequately presented in the materials before the Court and argument would not aid the decisional process. See Code § 17.1-403; Rule 5A:27.¹

Affirmed.

¹ Henry County Public Schools and Virginia Association of Counties Group Self-Insurance filed a motion to dismiss and argue claimant failed to comply with Rule 5A:20 and Rule 5A:25 when she filed her brief and appendix. We deny the motion to dismiss.
