Present: Judges Frank, McClanahan and Senior Judge Willis

BARBARA ELLEN CAREY

v. Record No. 1673-07-4

ARLINGTON HOSPITAL, INC. AND
HEALTHCARE PROVIDERS GROUP
SELF-INSURANCE ASSOCIATION

MEMORANDUM OPINION*
PER CURIAM
DECEMBER 27, 2007

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(Eric S. Wiener, on briefs), for appellant. Appellant submitting on briefs.

(John E. McIntosh, Jr., on brief), for appellees. Appellees submitting on brief.

Barbara Ellen Carey appeals a decision of the Workers' Compensation Commission finding that (1) tuberculosis is an ordinary disease of life; and (2) she failed to prove by clear and convincing evidence that she contracted tuberculosis through her employment with Arlington Hospital, Inc. We have reviewed the record and the commission's opinion and find no error in the commission's decision. Accordingly, we affirm for the reasons stated by the commission in its final opinion. See Carey v. The Arlington Hosp., Inc., VWC File No. 170-32-67 (June 18, 2007).

Affirmed.
