

COURT OF APPEALS OF VIRGINIA

Present: Judges Benton, Humphreys and Senior Judge Overton

DOMINION VIRGINIA POWER

v. Record No. 1789-05-1

CLYDE M. FARR

MEMORANDUM OPINION*
PER CURIAM
NOVEMBER 22, 2005

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(Arthur T. Aylward; Iris W. Redmond; Midkiff, Muncie & Ross,
P.C., on brief), for appellant.

(John H. Klein; Charlene Parker Brown; Montagna Klein Camden,
LLP, on brief), for appellee.

Dominion Virginia Power appeals a decision of the Workers' Compensation Commission ruling that Clyde M. Farr proved that his July 1, 2002 injury by accident caused his right carpal tunnel syndrome. We have reviewed the record and the commission's opinion and hold that this appeal is without merit. Accordingly, we affirm the commission's decision for the reasons stated by the commission in its final opinion. See Farr v. Dominion Virginia Power, VWC File No. 213-92-83 (June 22, 2005). We dispense with oral argument and summarily affirm because the facts and legal contentions are adequately presented in the materials before the Court and argument would not aid the decisional process. See Code § 17.1-403; Rule 5A:27.

Affirmed.

* Pursuant to Code § 17.1-413, this opinion is not designated for publication.
