

COURT OF APPEALS OF VIRGINIA

Present: Judges Humphreys, O'Brien and Senior Judge Bumgardner

ALICIA LILLY

v. Record No. 1908-14-3

WASHINGTON & LEE AND
PA MANUFACTURERS INDEMNITY CO.

MEMORANDUM OPINION*
PER CURIAM
MARCH 24, 2015

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(George L. Townsend; Bradford M. Young; Hammond Townsend,
PLC, on briefs), for appellant.

(Kathryn Spruill Lingle; Emily O. Sealy; Midkiff, Muncie & Ross,
P.C., on brief), for appellees.

Alicia Lilly appeals a decision of the Workers' Compensation Commission ("the commission") finding that her neck injury on April 23, 2012, was not a compensable consequence of her occupational injuries on August 4, 1998. We have reviewed the record and the commission's opinion and find that this appeal is without merit. Accordingly, we affirm for the reasons stated by the commission in its final opinion. See Lilly v. Washington & Lee, JCN No. 1944383 (Sept. 18, 2014). We dispense with oral argument and summarily affirm because the facts and legal contentions are adequately presented in the materials before the Court and argument would not aid the decisional process. See Code § 17.1-403; Rule 5A:27.

Affirmed.

* Pursuant to Code § 17.1-413, this opinion is not designated for publication.
