

COURT OF APPEALS OF VIRGINIA

Present: Chief Judge Moon, Senior Judges Cole and Duff

SNYDERGENERAL CORPORATION  
AND  
TRANSPORTATION INSURANCE COMPANY

v. Record No. 2167-95-3

GERALD W. JOHNSON

MEMORANDUM OPINION\*  
PER CURIAM  
MARCH 19, 1996

FROM THE VIRGINIA WORKERS'  
COMPENSATION COMMISSION

(J. Brian Jackson; Patricia C. Karppi;  
McGuire, Woods, Battle & Boothe, on brief),  
for appellants.

(George L. Townsend; Chandler, Franklin &  
O'Bryan, on brief), for appellee.

Syndergeneral Corporation and its insurer contend that the Workers' Compensation Commission erred in finding that Gerald W. Johnson's bilateral tendinitis and lateral and medial humeral epicondylitis qualify as compensable occupational diseases within the meaning of "disease" under the Workers' Compensation Act ("the Act").

This appeal is controlled by the Supreme Court's decision in Stenrich Group v. Jemmott, \_\_\_ Va. \_\_\_, \_\_\_, \_\_\_ S.E.2d \_\_\_, \_\_\_ (1996) (holding that "job-related impairments resulting from cumulative trauma caused by repetitive motion, however labeled or however defined, are, as a matter of law, not compensable under the present provisions of the Act").

---

\*Pursuant to Code § 17-116.010 this opinion is not designated for publication.

Accordingly, we reverse the commission's decision.

Reversed.
