

COURT OF APPEALS OF VIRGINIA

Present: Judges Frank, Alston and Senior Judge Coleman

ANTHONY EDEN

v. Record No. 2224-09-3

COMMUNITY SYSTEMS, INC. AND
DELOS INSURANCE

MEMORANDUM OPINION*
PER CURIAM
FEBRUARY 9, 2010

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(Terry L. Armentrout; Armentrout & Armentrout, P.L.C., on brief),
for appellant.

(E. Albion Armfield; Frith Anderson & Peake, P.C., on brief), for
appellees.

Anthony Eden appeals a decision of the Workers' Compensation Commission finding that his injury did not arise out of an actual risk associated with his employment, to which the general public is not exposed. We have reviewed the record and the commission's opinion and find that this appeal is without merit. Accordingly, we affirm for the reasons stated by the commission in its final opinion. See Eden v. Community Systems, Inc., VWC File No. 238-59-93 (Sept. 3, 2009). We dispense with oral argument and summarily affirm because the facts and legal contentions are adequately presented in the materials before the Court and argument would not aid the decisional process. See Code § 17.1 403; Rule 5A:27.

Affirmed.

* Pursuant to Code § 17.1-413, this opinion is not designated for publication.
