

COURT OF APPEALS OF VIRGINIA

Present: Judges Humphreys, McCullough and Senior Judge Bumgardner

MASTERCORP, INC. AND AMERICAN
ZURICH INSURANCE COMPANY

v. Record No. 2273-13-1

ROSA RAMIREZ

MEMORANDUM OPINION*
PER CURIAM
APRIL 1, 2014

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(Mark A. Stallings; Mark A. Stallings, PLC, on brief), for appellants.

(Adam B. Shall; Philip J. Geib, P.C., on brief), for appellee.

Mastercorp, Inc. and American Zurich Insurance Company (employer) appeal the decision of the Workers' Compensation Commission (commission) finding that employer is responsible for the carpal and ulnar tunnel release surgery for Rosa Ramirez (claimant) as recommended by her treating physician, Dr. John M. Pitman, III. Employer argues the evidence was insufficient to support the commission's finding that claimant's carpal and ulnar tunnel conditions were causally related to the compensable injury. We have reviewed the record and the commission's opinion and find that this appeal is without merit. Accordingly, we affirm for the reasons stated by the commission in its final opinion. See Ramirez v. Mastercorp, Inc., JCN VA00000333059 (Oct. 31, 2013). We dispense with oral argument and summarily affirm because the facts and legal contentions are adequately presented in the materials before the Court and argument would not aid the decisional process. See Code § 17.1-403; Rule 5A:27.

Affirmed.
