

COURT OF APPEALS OF VIRGINIA

Present: Chief Judge Moon, Senior Judges Cole and Duff

AMERICAN SAFETY RAZOR COMPANY  
AND  
EMPLOYERS INSURANCE COMPANY OF WAUSAU

v. Record No. 2430-95-3

MEMORANDUM OPINION\*  
PER CURIAM  
MARCH 19, 1996

SHERYL NESTER GREEN

FROM THE VIRGINIA WORKERS'  
COMPENSATION COMMISSION

(Cathleen P. Welsh; Wharton, Aldhizer &  
Weaver, on brief), for appellants.

(A. Thomas Lane, Jr., on brief), for  
appellee.

American Safety Razor Company and its insurer contend that the Workers' Compensation Commission erred in finding that Sheryl N. Green's bilateral de Quervain's tendinitis and bilateral epicondylitis qualify as compensable occupational diseases within the meaning of "disease" under the Workers' Compensation Act ("the Act").

This appeal is controlled by the Supreme Court's decision in Stenrich Group v. Jemmott, \_\_\_ Va. \_\_\_, \_\_\_, \_\_\_ S.E.2d \_\_\_, \_\_\_ (1996) (holding that "job-related impairments resulting from cumulative trauma caused by repetitive motion, however labeled or however defined, are, as a matter of law, not compensable under the present provisions of the Act").

Accordingly, we reverse the commission's decision.

\*Pursuant to Code § 17-116.010 this opinion is not designated for publication.

Reversed.
