

COURT OF APPEALS OF VIRGINIA

Present: Judges Humphreys, Beales and Senior Judge Fitzpatrick

COUNTY OF CHESTERFIELD POLICE

v. Record No. 2860-07-2

DENNIS MICHAEL HARRY

MEMORANDUM OPINION\*  
PER CURIAM  
APRIL 15, 2008

FROM THE VIRGINIA WORKERS' COMPENSATION COMMISSION

(Steven L. Micas, County Attorney; Jeffrey L. Mincks, Deputy County Attorney; David W. Robinson, Assistant County Attorney, on briefs), for appellant.

(Eric S. Wiener, on brief), for appellee.

County of Chesterfield Police appeal a decision of the Workers' Compensation Commission finding that Dennis Michael Harry proved (1) he suffers from Post Traumatic Stress Disorder (PTSD); and (2) his PTSD arose out of and in the course of his employment, and did not result from causes outside his employment. We have reviewed the record and the commission's opinion and find that this appeal is without merit. Accordingly, we affirm for the reasons stated by the commission in its final opinion. See Harry v. County of Chesterfield Police, VWC File No. 229-85-34 (Nov. 1, 2007). We dispense with oral argument and summarily affirm because the facts and legal contentions are adequately presented in the materials before the Court and argument would not aid the decisional process. See Code § 17.1-403; Rule 5A:27.

Affirmed.
