

## Mission and Vision

**Mission:** An on-going court-stakeholders partnership that drives changes affecting guardianship and conservatorship policy and practice through planning and action to enhance the quality of life of at-risk adults.

**Overall Vision:** A Virginia in which at-risk adults are not abused, neglected and exploited, there is a reduction in unnecessary and overly broad guardianships, and vulnerable adults are able to maintain their rights, their dignity, and their quality of life.

<b>Vision 1</b>
WINGS will identify necessary, ongoing improvements through the proper collection of data.
<b>Vision 2</b>
WINGS will foster smooth communication among those working with at-risk adults.
<b>Vision 3</b>
WINGS will streamline a coordinated process to ensure guardians meet their court-appointed responsibilities.
<b>Vision 4</b>
WINGS will educate the courts, guardians, and the public on guardianship and less restrictive options.
<b>Vision 5</b>
WINGS will engage a diverse group of stakeholders.
<b>Vision 6</b>
WINGS will promote the rights and self-determination of at-risk adults.
<b>Vision 7</b>
WINGS will promote understanding of alternatives and less restrictive options.
<b>Vision 8</b>
WINGS will promote support and funding for the guardianship system.
<b>Vision 9</b>
WINGS will recognize broad-changing demographics of the at-risk population.
