- All devices must be turned off before entering the courthouse.
- All devices are subject to security screening at the discretion of the Sheriff.
- Voice cell phone calls by visitors shall only be permitted in an area designated by the Sheriff. If such calls disturb the peace or proceedings, the Sheriff is permitted to require the call to be made outside of the courthouse.

Any portable electronic device used in violation of this policy shall be confiscated by the Sheriff or his designee. Additionally, any person, visitor or non-visitor, who uses a portable electronic device in a manner that threatens the safety, security, order, or administration of justice will be deemed in violation of this policy and the device shall be confiscated.
