RICHMOND, VIRGINIA 23219

Granted Appeal Summary

Case

BHAGAVAN KEVIN ANTLE v. COMMONWEALTH OF VIRGINIA
(Record Number 250174)

From

The Court of Appeals of Virginia.

Counsel

Ryan King (Ryan King Legal) for appellant.

Aaron J. Campbell (Office of the Attorney General) for appellee.

Assignments of Error

1. The Court of Appeals erred in upholding the trial court's denial of the Appellant's Motion to Strike all conspiracy charges against the Appellant because a buyer cannot conspire with a seller in a buy-sell transaction.
2. The Court of Appeals erred when it affirmed the trial court's jury instructions regarding the conspiracy charges to purchase an endangered species in light of the indictment's contents and the parties involved in the transaction.
3. The Court of Appeals erred in upholding the trial court's denial of the Appellant's Motion to Set Aside the Verdict as to the conspiracy charges against the Appellant, considering the content of the Indictments and the fact that the Appellant was the buyer in a buy/sell transaction that involved only the buyer and seller.
