2. The defendant shall endorse form CC-1351 and a copy will be placed in the defendant's file.
3. The minimum monthly payment shall be \$50.00 unless extenuating circumstances exist that would allow for a lesser amount. The Judge or Clerk will approve any such exceptions.
4. If the defendant misses two payments and has not been approved by the judge or clerk for any such delayed payment, the clerk shall forward such information to the Virginia Department of Taxation Court Debt Collections Office.
5. If defendant is in default on a second payment agreement and requests a third payment plan, he/she shall make an appointment with the circuit court judge and request a hearing for approval of any such agreement.
6. In all criminal cases, unless otherwise directed, restitution, if ordered, shall be paid prior to the payment of fines and costs.
7. The defendant shall be given written notice of payment options and of the option of earning credit toward discharge of fines and costs through the performance of community service work. Community service credit shall not be credited to restitution or restitution interest. The defendant shall make his request in the form of a Petition to the Court. The rate of credit per hour of community service shall be **\$12.00**, unless ordered differently by the Judge of this Court.
