PAYMENT AGREEMENT EFFECTIVE JULY 1, 2024

- Fines and costs are due in full on the day of court.
- Any defendant who is tried in absence or who is unable to pay on the day of court will have ninety (90) days to pay in full. If payment in full is received, no further action is required.
- If at the end of 90 days additional time to pay is needed, defendant may enter into a deferred payment agreement for a period of up to six (6) months (initial 6-month period). A ONE-TIME fee of \$10.00 will be assessed to defendant's account. Initial deferred payment agreements must be made in person at the Clerk's Office.
- If at the end of the initial 6-month period defendant needs additional time to pay, defendant may enter into a second deferred payment agreement for an additional six (6) month period (second 6-month period). Subsequent deferred payment agreements must be made in person at the Clerk's Office and must be made prior to the expiration of the initial 6-month period.
- If at the end of the second 6-month period defendant needs addition time to pay, a request may be made to the General District Court Judge. Defendant must contact the Clerk to request a date and time to appear before the Judge. The Judge will review defendant's financial resources and obligations and will determine a new payment schedule.
- If your sole financial resource is a Social Security benefit or Supplemental Security Income, then you are not required to pay until you have another resource or income. As long as your sole income remains unchanged, your account will not go to collections. ***THIS DOES NOT APPLY TO RESTITUTION PAYMENTS***
